University Park

Athletics

The Intercollegiate Athletics program at Penn State University Park includes twenty-nine varsity athletic teams, which play Division I sports in the Big Ten Conference. The campus also offers four club teams and a variety of sports clubs and intramural programs for students of all interests and abilities.

Activities

Penn State University Park offers more than 700 clubs and organizations: student government organizations, musical groups, publications and communications organizations, performing arts organizations, nationality and diversity organizations, clubs formed around academic interests, religious and spiritual organizations, and dozens of special-interest groups. From the Astronomy Club to the Wildlife Society, we offer extremes and everything in between. One group of students started a Harry Potter Fan Club called the Three Broomsticks. This organization appreciates and experiences J. K. Rowling’s Harry Potter book series with their own Quidditch Cup, Yule Ball, Triwizard Tournament, and House Cup. Others started the Juggling Club, Nittany Knitters, and Monty Python Society. With so many options, you’re bound to find something that is a good fit for you.

For a complete listing of clubs and organizations at Penn State University Park, visit the Student Organization Directory at www.sa.psu.edu/usa/studentactivities/search.asp.

Penn State’s twenty-nine varsity athletic teams had an average semester team grade-point average of 3.02 in the spring 2008 semester.
