

PennState Eberly College of Science

The Eberly College of Science is the home of the basic biological, physical, and mathematical sciences at Penn State. We are proud to be a vibrant scientific community and a premier center of education and research. Since the college's beginnings, we have been preparing students all over the world for bachelor's, master's, doctoral, and professional degrees.

WE ARE

16 + 14

MAJORS MINORS

Undergraduate studies in our college are categorized into four disciplines:

- Life Sciences
- Mathematical Sciences
- Physical Sciences
- Interdisciplinary Sciences

TOP 10

Our college is renowned for its excellence in scientific teaching and research.

Penn State ranks among the top 10 academic institutions nationwide in the basic sciences.

A DIVERSE COMMUNITY OF SCHOLARS

We help prepare students for our increasingly connected global society. Through our faculty, staff, and students, **The Penn State Eberly College of Science remains committed to the goal of excellence through diversity.**

LIFE SCIENCES

- Biochemistry and Molecular Biology
- Biology
- Biotechnology
- Microbiology

MATHEMATICAL SCIENCES

- Data Sciences
- Mathematics
- Statistics

PHYSICAL SCIENCES

- Astronomy and Astrophysics
- Chemistry
- Physics
- Planetary Science and Astronomy

INTERDISCIPLINARY SCIENCES

- Forensic Science
- Premedical-Medical
- Premedicine
- Science
- Science B.S./M.B.A.
